

# Trinity Grammar School, Kew

40 Charles Street, Kew VIC 3101

*Principal*  
**Adrian Farrer**

Adrian joined Trinity from Cathedral College at the beginning of 2020 as our 12th principal. His focus on developing the whole person aligns closely with our philosophy of balancing the academic, pastoral and co-curricular domains.

Trinity Grammar School, Kew has educated boys from Melbourne and beyond for almost 120 years. Our traditions are strong, and our motto “Viriliter Agite” – Act Manfully – remains our guiding principle. A modern view of manfulness, however, requires much more than its traditionally ascribed characteristics of courage and stoicism.

We strive to make our students aware of the opportunities that exist to be globally good – good in the world and good for the world – as well as the opportunities to succeed in their personal and professional endeavours. Our values of service, integrity, courage and humility are a strong foundation for a life lived well.

Our teachers are passionate about delivering a broad and stimulating curriculum that engages our boys and challenges them to achieve their best. They have a genuine interest in connecting with each of the boys in their care, and helping them to develop positive relationships across the school. The sense of community and inclusivity among students of all ages is strong thanks to our vertical peer mentoring structures and positive role modelling by senior students.

We believe a school can be judged on the quality of character of its graduates, and we are immensely proud of the achievements of generations of Trinity Grammarians.
